

## **Equipment Needed**

Jump the Q staff will be conducting a powerpoint presentation and usually travel with a data projector and laptop. You will need to supply the following additional items: -

Large screen to suit audience size

example 2.5 x 2 metres (max 80 pax)

4 x 3metres (approx 150 – 200pax),

5 x 3.5 metres ( 2 screens maybe needed for 500 pax)

If you have any queries on this, please do not hesitate to call.

CD player (For audiences over 50 delegates)

Clip on label microphone if over 40 delegates

2 small tables for data projector unit and resource table

Product table at rear of room

At the venue Jump the Q will be contactable on 0417 771 372
